

Information related to COVID-19

OUR TOP PRIORITY IS THE SAFETY OF OUR PASSENGERS AND EMPLOYEES

We are fully aware that the progression of the coronavirus (COVID-19) raises questions for our passengers. Our team is closely monitoring the development of the situation. We are taking all necessary measures to allow you to continue traveling in complete safety and peace of mind.

Out of respect for all passengers and employees, we ask you to respect the hygiene rules prescribed by Health PEI. Passengers should use transit for necessary trips only.

MEASURES TAKEN BY T3 TRANSIT

- Increased disinfecting and cleaning, particularly on high-touch surfaces.
- Limiting passengers to seated passengers only and removing the set of three seats at the front of transit buses.
- Passengers with cough, fever, or flu-like symptoms, out of respect for the driver and passengers, are asked to please not use public transit.
